**Program Booklet Advertisement Request**

On behalf of the American Indian Center and the 56th Annual Pow-wow Program Booklet Committee, I invite you to advertise in the program booklet this year.

We are expecting this year's Pow-wow to be better than ever. This being the 56th Annual Powwow, we expect an even larger participation of dancers, singers, and vendors than last year. The Pow-wow will continue to be what everyone has grown to expect, such as:

Hundreds of the finest dancers, drummers, and singers from across the U.S. and Canada - representing over 200 different tribal nations.

A souvenir program booklet, which will include a pow-wow history, photos of dancers and drummers, information about the American Indian Center, a schedule of events, and advertisements.

Exhibits of authentic American Indian arts, crafts, and Native foods are available for the public to enjoy.

Information booths from Chicagoland's American Indian Organizations.

Special appearances and performances by local and national entertainers.

We are requesting your support by your placing an advertisement in our booklet. I have enclosed a copy of a page from a past booklet to show how you can expect your advertising to appear. Please know that you will be responsible for creating the advertisement in a pdf file.

In the past, the program book advertisements have been seen by several thousand people. We expect it to be seen by even more this year. After our successful Pow-wow last year, our expectation of more drums and dancers should produce more people attending the Pow-wow.

We will keep the price of the program booklet at a price that everyone can afford to purchase. You will also see that your cost to advertise remains low, as well.

Please know that your advertisement or donation will help the American Indian Center continue to sponsor the Pow-wow, allowing the American Indian Community to celebrate its traditions and share its culture with others.

If you would like to support the AIC's 56th Annual Pow-wow by advertising in the Pow-wow Program Booklet or by making a donation, please complete the information requested:
